## SEPTEMBER 2024

### A Message from Council President

Wow! two-thirds of the year has gone by already. And what a year it has been. We have bid farewell to another in a long line of interim pastors, and we have embarked upon a hopeful future of spiritual growth with our siblings at Jerusalem Evangelical Lutheran Church. On August 19th, we welcomed into our midst our new Vicar and Theological Education for Emerging Ministries (TEEM) Candidate, Vicar Philip Supeck, whose first sermon was preached on Sunday August 25th. Welcome Vicar Philip and we look forward to walking with you as we all grow in Christ's ministry.

As I am sure nearly everyone knows by now, Vicar Philip is on a three-year plan to gain a Master of Divinity degree from United Lutheran Seminary - Gettysburg Campus. With agreement from the Lower Susquehanna Synod, and permission from our Bishop, will preside at worship and administer communion. He will also officiate at funerals. For Weddings and Baptisms, an ordained Minister of Word and Sacrament will be present.

Your Council (along with Jerusalem's and the Synod) has entered into the first year of a series of three annually renewable contracts, with gradually increasing levels of compensation as Vicar Philip increases his demonstrated knowledge and competencies as his education continues. If you have questions about specifics, talk to any member of Council.

The hope is that we will all grow and learn as we are called by God to move forward in our collective ministry.

I wish you all a safe and healthy Autumn season.

Blessings,

Tom Hocking, Council President  
Brickerville United Lutheran Church

## Social Statements

ELCA social statements are teaching and policy documents that provide broad frameworks to assist us in thinking about and discussing social issues in the context of faith and life. They are meant to help communities and individuals with moral formation, discernment and thoughtful engagement with current social issues as we participate in God's work in the world. Social statements also set policy for the ELCA and guide its advocacy and work as a publicly engaged church. They result from an extensive process of participation and deliberation and are adopted by a two-thirds vote of an ELCA churchwide assembly. Offered by United Lutheran Seminary and the Lower Susquehanna Synod

Our Little Library continues to be used by the community. Almost daily, at least when I'm in the office, someone stops by to exchange a book or check it out and often neighbor children come and sit on our porch and read. The feedback from the moms have been wonderful and thankful we have this with a constant new supply of children's book. If you would like to contribute any books, please drop them off at the office during office hours. Thanks/pc

## Message from our new Vicar:

### **Press On**

“Beloved, I do not consider that I have made it my own; but this one thing I do: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the heavenly call of God in Christ Jesus.” Philippians 3:13-14 NRSV

It has been three days since I began serving as your Vicar and it has been pure joy getting to meet the members and staff of both congregations. Thank you for the work you did in preparation for my arrival. I have met with the Steering/Shared Ministry Committee, Council Presidents, and most employees. I was able to attend a community meal and do some visitation. Your warm welcome and guidance is testimony to your dedication and commitment as we begin our journey together. In Paul’s letter to the Philippians, he denies that the call to perfection can be answered, and so we are to pursue a different prize. Forgetting what is behind us and straining toward what is ahead. When we strain, we are to make strenuous and unusually great efforts, not toward earthly achievements, but toward the upward call of God in Christ Jesus.

As we press on, I will strain to be present for you. Present, not perfect. My hope is that you will be the same. In service to you, please know I will be keeping the following office hours:

Brickerville United Lutheran Church      Monday and Wednesday      8:00 AM to 4:30 PM

Jerusalem Evangelical Lutheran Church      Tuesday and Thursday      8:00 AM to 4:30 PM

This schedule serves as a general guideline for my availability. My time at each location will include space for worship preparation, visitation, meetings, and attending North Lancaster Conference and Lower Susquehanna Synod events as required. This schedule may change as the needs of each congregation present themselves.

Please call the church office to check my availability or to schedule an appointment. If you need to reach me outside of these times, please contact me via my mobile device at 717.725.3429 and leave a message. I will return your call as soon as I am able. Whether at church, your home, or within community, I look forward to meeting with each of you in the days ahead.

May God’s Love, grace, mercy, and peace be with you in all ways!  
Vicar Philip

# IN OUR *Thoughts and Prayers*

**For HEALING, COMFORT and HOPE,  
we pray for**

Ronnie Denlinger, Linda Miller, Millie Seace, Carl Ober, Shirley Rettew, Larry Weachter, Theresa Weik, Barry Shelly, Garrett Shanfelder, Nathan Ober and Pr. Stephen Deal.

**CONSTANT in our PRAYERS, we pray for:**  
Brickerville United Lutheran Church Family.

Our nation and its leaders.

Military personnel, veterans, teachers, emergency responders and healthcare workers. We pray for the people around the world affected by war, gun violence and natural disasters.

## Answering the call to be generous

“And let us consider how to provoke one another to love and good deeds, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the day approaching” (Hebrews 10:24-25).

The writer of this Hebrews text alludes to “the day” approaching, but none of us has any idea when “the day” will arrive. So, we live out our life of faith by continually living out our mission, listening to the words of grace and hope given to us and answering the call to serve - which includes encouraging others to recognize their own capacity for philanthropy and service.

Sit down with your spouse, partner, children or grandchildren and tell them what is important to you and why you give. The next time you're sitting around the kitchen table together, try one of these conversation starters: Think of one Bible story or passage that talks about sharing with others. Why is your offering at church important? How can you encourage a friend to “do good”?

This message is excerpted from “Kitchen Table Philanthropy” by Emily Hansen, and submitted by a member.

We could use a few more hands to help

Dear Ladies of the Quilting Group:

It is with heartfelt joy I attempt to express my extreme gratitude for the help each of you contributed to finishing the quilt top (giving the quilt functionality) that was purchased at the Schoeneck Mud Auction this Spring.

The quilt has been received with enthusiastic reviews! My daughter took one look at it and said, "Oh my goodness. It is just GORGEOUS! I LOVE IT! Way beyond my wildest dreams! It looks like a totally different masterpiece."

Rufina, thank you for taking the time to select the perfect batting and the absolutely perfect back side of solid blue to make the quilt reversible as well as having done all the sewing in putting this "puzzle" together.. Your craftsmanship is impeccable. Your taste perfect.

Thank you, Ida, for coordinating all the work and the updating phone call! Thank you, Pam, for being the gal in the middle getting this all started and being available for me to pick the quilt up when finished and giving me updates along the way.

And, a sincere thank you to each and every one of the ladies who worked on doing the knotting holding everything in place. A very positive comment was specifically made about how much the knotting added to the quilt's appearance.

The whole completed project is just exquisite. Words fall short in trying to tell you how well-received your efforts have been. Thank you to EACH of you! (Photo below.)

Sincerely, with love and wishing you many blessings! Judy Kohler

PS - Although I have repeatedly been told compensation is not necessary for all the efforts, I will be forwarding a check to Pam to be deposited to the fund for supplies for the quilts the women are working on to send overseas as well as an additional amount to help with shipping of those future quilts.

## **LWR Quilts & Kits arrive immediately after attack on Ukrainian children's hospital**

Imagine if an enemy unleashed missiles on a children's hospital like St. Jude's. It's hard to fathom the cruelty of targeting sick children and hardworking hospital staff... But that's exactly what happened in Ukraine on July 8. Okhmatdyt Hospital is one of **Ukraine's largest facilities for children with cancer**, and it was badly damaged by Russian missiles. As soon as the attack stopped, Lutheran World Relief staff rushed to provide Support, including sharing your **LWR Mission Quilts and Personal Care Kits with families who had to evacuate** the hospital and other damaged buildings

## **2024 Picnic Results & Thanks**

First and foremost, THANK YOU to BULC members for voting earlier this year to "keep the picnic" and provide ideas on how to make it better. And thank you for following through on proving your commitment. Thanks to YOU this year's picnic was a success! Your attitude of giving, serving and dedication were definitely evident! Our annual community picnic was held on Saturday, July 6. The weather was hot and sticky, but no rain, so that was a plus! We had strong attendance and did see some new people. We had great participation from our members and friends with providing financial donations, food including pies and cake donations, as well as supplies. We also had a strong contingent of people helping to make the soup who were open to trying something different with making the soup in our church kitchen vs. the pavilion kettle. Our conclusion is that we will continue this new approach for our chicken corn soup next year. While our picnic continues to focus on community outreach, it is also good to finish in the black. This year our profit was \$3,751. After we look at purchasing a few things to make next year's picnic better, we plan to move the remaining money, including the money that has been in the picnic fund from past years, to our BULC General Fund.

The 2024 Picnic Committee: Jackie Fetter and June Kupstas (co-chairs), Ida Young, Nita and Dean Kissinger, Freda Fasnacht, and Debbie Ober.

## **Gearing up for Apple Dumpling Day Nov. 1, 2024**

Eric Wanga, our U.S liaison for Musese, Kenya church and clinic gave the following update on the mission which our apple dumplings event/profits support.

The Musese church is doing well. We have 5 churches and are looking forward to our annual meeting in August this year. We are raising \$2000 to restart our school. Our former teachers made a presentation to the Musese church leadership board on their proposal along with parents who say "their children were fed spiritually and physically" and they hope and pray for us to make a difference again. Side note: the school has been closed since the Kenya Government embraced a Chinese curriculum which was too burdensome and expensive to use in this church school setting.

The medical clinic has been embraced by the community. The harassment from the county medical personnel stopped with the official registration of the clinic. 350 to 500 patients are seen monthly. Lititz United Methodist Church sponsorship along with Brickerville apple dumpling sale pays for 2 doctors, nurses and lab techs. Medication and lab supplies have made the clinic a place of choice for the local community as well as those who travel an hour by motorbike for treatment.

Thank you very much, church, for touching many lives in Kenya. My mother is alive today because Musese clinic figured out what hospitals could not. She is diabetic. The well is still a reliable source of water. We have had visitors come to church because they came for water and saw the church building. We have a new church caretaker. He has knowledge of animals. The cows are healthy and produce a good amount of milk which gives us money to pay wages.

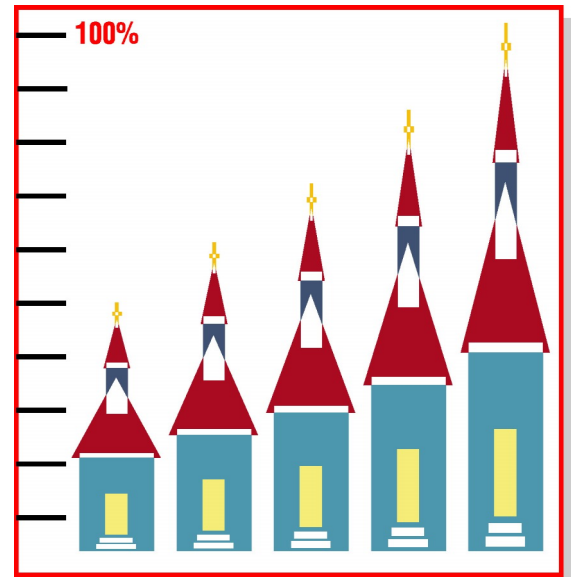

There is a mission trip planned for December 2024, anyone interested? Jackie Fetter is able to help you connect with Eric. Thank you for touching lives in Kenya.

Sincerely grateful, Eric Wanga

Our goal is to have the new carpet installed the first week in November in time for our Christmas Musical Program and our Annual Christmas Bazaar.

*Let us never forget*

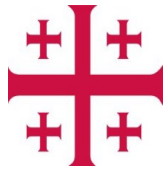

Thank you from the bottom of my heart for the flowers, cards, notes of encouragement, food and mostly hugs, you gave me following the passing of my mom. I miss her greatly and trying to navigate thru this time. She was a wonderful mom and friend and I appreciate you as my employer allowing me to adjust my work hours to spend as much time with her in the end, and really over the last 2 years when both my parents needed me. My parents had visited several churches when they moved to Lancaster Co seven years ago, and when we walked into Brickerville United, we FELT welcome. From the smiling faces and handshakes and introductions., Thank you for including them over the last five years and making them feel like family. Also, thank you so much to Ida, Freda, Jackie, Nita, and Steph for visiting and praying with mom in the end. I cannot express my gratefulness in words.
